SEMI PRIVATE HALF DAY SNORKELING TOUR - H²O Bora Bora

With this tour, you can tick of the bucket list manta rays, eagle rays, sharks, gorgeous coral garden, tropical fishes and so much more !!!

Take your time to discover all that the staggeringly beautiful lagoon of Bora Bora has to offer and believe us.....it offers a lot ! If you like small groups with a very personal service then look no further : H2O will fulfill and exceed your expectations. There's a cabin to offer protection from any bad weather that may creep upon you, and a roof to provide shade when the sun is shining. A talented guide who goes in the water with you, will take care of you, and teach you about all of the beautiful things you will see. But unfortunately, we cannot control the weather and the tours will be organised by your guide who will take into consideration all of the relevant conditions and will plan the tour focusing on your personal requirements.

Morning Tour : Several stops in which we aim to see the outer and inner reef, manta rays, eagle rays, a place dubbed the aquarium teeming with life, a beautiful coral garden and if we are lucky more. Pick up time dependant on where you are based but usually between 8:15 – 8:30 a.m.

Afternoon Tour : Several stops in which we aim to see the same as the morning tour. Usually the Manta Rays are not seen in the afternoon so if this is a must for you then you should choose the morning tour. Pick up time dependant on where you are based but usually between 1:15 – 1:30 p.m

Pick up and drop off included from and to your accommodation.

All tours must have a minimum of 2 people with a maximum of 4 people.

4X4 SAFARI TOUR 3H30 (3h30) - Tupuna Mountain Safari

The TUPUNA safari tour offers you an adventurous ride around the island of Bora Bora on our 4X4 vehicle. During the tour you will visit the 3 villages of the island as well as 2-3 viewpoints (depending on the weather condition) where you will get a splendid view over the lagoon. Along the way our English-speaking local guide will show you a historical site with the remains of the cannons of the US army of World War 2 where you will learn about the role of the American military forces on the island. Our experienced guide will give you all along the tour information not only on the tradition, culture, history, but also on the industry, geography, fauna and flora of French Polynesia. A pleasant fruit-tasting and an informative visit to the only pearl farm of Bora Bora are also included in the tour. Join us and discover Bora Bora from land! For your information, we do not recommend our tour to guests with back problems or in case of pregnancy.

Inclusions: Pick up and drop off at your hotel **except Four Seasons and Meridien resorts** (mandatory supplement on request)

GLASS BOTTON BOAT RIDE OVER BORA BORA'S LAGOON (1h30) - Moana Adventure Tours

Classic glass bottom boat rides. A great way to enjoy the beauty of the underwater world of Bora Bora, without ever getting wet! Perfect for the non-snorkeler who wants a beautiful and relaxing tour without any worries whatsoever (a favorite among our older visitors or families with children.)

Glide gently over multicolored, exotic coral and fish life in our comfortable 33 foot cruiser as you learn about the history and facts of our famous lagoon. You'll find yourself fascinated as our diving guides show you the beauty of the lagoon they call home, especially after you've seen them feed the brilliantly colored fish just a few feet from the glass you're looking through! The beauty is not only underwater though! These 1 and 1/2 hour cruises take place under the majestic and scenic mountains of central Bora Bora. A wonderful photographic experience!

PRIVATE ROMANTIC LAGOON ESCAPE (BBQ and Champagne) 6h - Moana Adventure Tours

Unique Private Tour, THE romantic tour on Bora Bora! Perfect for the honeymooning couple in love, or just good friends, it is an experience you will never forget. The day on the lagoon features circling the island in a comfortable 17 ft Boat, from which you will encounter: 1) the fabulous sting rays of the lagoon, 2) a snorkeling stop at the majestic coral gardens, and 3) a visit to the place where the world famous manta rays feed. (sometimes we see them, sometimes we don't). Around noon, the boat will stop off at small island where we will layout a fabulous "picnic in the water" for you. The menu includes: delicious marinated fish appetizers, along with an entree of barbecued fish, chicken, or steak, baked potato, a delicious salad and a nice assortment of sweet local island fruits... All this, plus a complimentary bottle of champagne will be served. After enjoying this relaxing meal, most people then choose to wander around the motu a bit, beachcombing, walking along the barrier reef, or sometimes taking a light swim. (the guide stays and cleans up the picnic area) Before returning you to your respective hotel, you could even do a last snorkel or swimming stop ! .

"Combo Tour" offers an exciting and fun way to discover both the lagoon of Bora Bora and her georgous white sandy islet (Motu Roa).

A short transfer by minivan will take you to the waverunner base located on Matira Beach. Your guide will introduce you to the safety regulations for waverunner operation. There are three requirements : you must wear the lifevest provided, remain in line and follow thirty yards behind the waverunner in front to you. To begin your trip with, you will ride over to the Motu Roa on the South-eastern side of Bora Bora and have the chance to admire the beautiful colors of lagoon on your way. It will take you aproximately 20 minutes to reach this white sandy islet, where the ATV are based. Youll receive safety advices from your guide before starting the second part of this adventure, to the interior of the Motu Roa. Ride your ATV through forests, Aito trees and "fara" (pandanus) plantations, the largest ones being found on the motu. After crossing the motu, discover a beautiful white-shingly beach and enjoy an endless view on the ocean. You will have opportunities for pictures. Refreshments will be served. Continue your drive on the beach and increase speed if you wish. The ride is about 2 km long (1,25 miles). At last, try a circuit through dense forest and feel more like an adventurer. Get back up on your waverunner and return to Matira Beach.

PURE SNORKELING – Reef Discovery

The first and only ecotour in Bora Bora ! Another way to discover the nature of the island : Ideal for those who are looking for a small group tour (maximum 6 people) or who wish to be assisted by a diving instructor during the excursion and snorkelling.

The first stop will be in a preserved coral garden located between two islets, in the north west of the island. A real bed of corals in shallow water hiding an underwater fauna & flora untouched and full of colors. Sting rays are often visitors of this coral gardens.

The second stop will be in the east of Bora Bora. Our clients will snorkel along a wall of lace corals and with their guide they will swim with the mythical manta rays and admire their majestic and unique movements. Although they can reach a size of 4 meters this snorkeling area is safe as manta rays are peaceful and only eat plankton.

The third snorkeling will be in the south of Bora Bora, close to Matira point. The clients will swim in the middle of a natural pool of turquoise and crystal clear water and be surrounded by hundred of tropical fish. Moray eels point the tip of their nose often too!

The fourth snorkel stop will be in the south east of the island, in a magnificent bay with the view of the volcano rim. Our clients do a drift snorkel above a sand bank to see a school of spotted eagle rays. The group can reach sometimes the number of 12 rays !

Inclusions: Tour + all equipment / Available: Daily

SNORKELING'S COOL - THE LOVE BOAT

Semi private tour with snorkeling pedagogy ! Maybe, didn't you have the chance to grow by the sea like tahitian kids. Many of our visitors didn't snorkel that much before, or had difficulties with snorkeling gears, are sometimes afraid by water... All little things which turn a beautiful snorkeling to a stressful experience, unabling to completely enjoy the moment. This service is perfectly adapted for families who want to enjoy the lagoon together.

SnorkelingZcool is your 3h semi-private tour, 2 to 10 pers. The first stop in shallow water to learn how to set and use snorkeling gears, how to swim with fins... check if guests need a floater. Feeling safer, we will go in average depth for a magic stop surrounded by hundreds of tropical fish, and corals. The last stop, is in deep water for meeting the giant manta rays, or eagle rays according to the day conditions.

Take it easy, and use our new generation of snorkeling helmets! They are made to offer a solution to all the beginners' worries like no more water inside mask and snorkel, no more snorkel in mouth, a wider visibility without fog, breathing by the nose... !<

Try it, you never saw the water like this before.

Inclusions: Tour + all equipment / Available: Daily
