Inclusions: Pick up and drop off at your hotel / guest house + All diving equipment + shell necklaces + pineapple juice + DVD.

Top Dive Tahiti : TOPDIVE Tahiti dive center is ideally situated in the heart of the Intercontinental Tahiti Resort. It promises easy access to 12 very lovely dive sites located on the west and east coasts of the island. Tahiti will offer you your first introduction into the rich, tropical waters of French Polynesia. The incredible biodiversity of the dive sites showcase the rich flora and fauna, from colourful nudibranchs to Lemon sharks. Tahiti is also the ideal island to learn scuba diving with some perfect dive sites in the lagoon like "the aquarium" or "the wrecks". Don't miss the most spectacular and unique dive - the Tahiti Shark experience, where certified divers get to discover, in a perfectly safe and risk-free atmosphere, Polynesia's most common species of shark - the Whitetip reef shark, the Blacktip reef shark and the Lemon shark! The TOPDIVE Tahiti dive center is located in the activities center where you can also avail of helmet diving, jet ski guided tours, Rhino rentals and sunset cruises.

Top Dive Moorea : Located in the warm waters of the south Pacific Sea, Moorea is now famous worldwide for its diving and its Sharks. Bathys Diving Moorea, the PADI 5 star centre since 1993 is geographically well located, just in front of Taotoi pass at 10 minutes boat ride from all the best diving spot of the island. The center include one shop for divers & souvenirs, a friendly and warm space of relaxation, changing rooms with separate toilet, as well as individual lockers. Furthermore, there is a video room with plasma screen to see your dives and lesson. Two spacious boats are moored right in front of the center on Private pier in the Intercontinental Resort & Spa Moorea. Staff & Instructors, speak english, french, italian & spanish, are all certified PADI & BEES, are at your disposal every day to make you discover the wonderfull underwater world of Mooreas.

Top Dive Bora Bora : Named the "pearl of the Pacific ocean" by Captain Cook, Bora Bora Lagoon is famous round the world for it's beauty. Bora Bora's fantastic landscape shows an exceptional contrast between it's sharp mountain and his quiet turquoise colored lagoon. Millions of years ago this volcano came out of the ocean and gave birth through the ages, little by little to a magnificent ring of white sandy beaches motus (islands). It is a real open air swimming pool, which appears to be the home of multicolored underwater life which will amaze all divers regardless of their level. Known as being the most beautiful lagoon in the world, Bora Bora is a real paradise island. The centers include one shop for divers & souvenirs, a friendly and warm space of relaxation, changing rooms with separate toilet, as well as individual lockers. Furthermore, there are a video room with plasma screen to see your dives and lesson. Three spacious boats are moored right in front of the centers on Private piers. Staff & Instructors, speak english, french, japanese, italian & spanish, are all certified PADI & BEES, are at your disposal every day to make you discover the wonderfull underwater world of Bora Bora.

Top Dive Rangiroa : Far from the hustle and bustle of urban life and situated between the sky and the sea, Rangiroa is a world by itself ! On drift dives and with the current flowing strongly inwards, pelagic encounters offer unforgettable moments of wonder. Dives in Rangiroa are action-packed and exhilarating, with sightings of dolphins, marlin, grey and hammerhead sharks, manta rays... A MUST DO for divers. The 2 TOPDIVE Rangiroa dive centers are perfectly located, very close to Tiputa pass for easy access to the most beautiful dives Rangiroa has to offer. One located in the heart of the Kia Ora Resort & Spa and the other a few meters away in Avatoru.

Top Dive Fakarava : Fakarava is part of a biosphere reserve classified by Unesco owing to the rich diversity of its ecosystem. Two passes connect its huge lagoon to the ocean, the northern pass named "Garuae" is the largest one in the Tuamotus Islands and probably holds the biggest density of fishes with amazing pelagic encounter ever seen. The main diving center is located on site at the White Sand Beach Resort and offers everyday unique dives in the North of the atoll. You also have the possibility of diving at the South Pass of the island, contact your travel consultant for more details. South pass dives are available, ask your travel consultant for all details. All transfers from your hotel on Fakarava to the TOPDIVE - Bathys center are included.

Top Dive Tikehau (operated by Tikehau plongée dive center) : Tikehau, the pink sand island, is a small and preserved paradise, located at 300km from Tahiti island. This coral reef island gets great spots to dive !!

On the crystal water of its lagoon, you will find amazing corals and fishes. Divers really like the only pass of the island, Tuheiva, where you will be able to see mantas, barracudas, sharks and other grey blue dolphins. Dans les eaux claires de ce lagon se trouve une faune variée et très dense. Les plongeurs sauront apprécier l'unique passe de l'atoll, Tuheiva qui offre chaque jour des ballets de raies manta, barracudas, requins gris et autres dauphins bleus.

Tikehau island also offers great land activities, with myriads of birds and the famous "bird island" located in the middle of the atoll !
