## FULL DAY LAGOON TOUR BY BOAT WITH PIC NIC (5/6h) - Moorea Miti Tours

Aboard a polynesian outrigger canoe to discover Moorea's fabulous lagoon, with only 12 passengers, enjoy the luxury, space and comfort offered by the boat. Embark upon a magical adventure to discover Moorea's best attractions. After pick-up at your hotel, discover Cook's bay and its magnificent mountains. Cruise through Moorea's lagoon to go meet friendly stingrays and black-tip sharks in shallow water. Enjoy some fruits and relax on a beautiful sand-bar at the motu (islet). You can then go snorkeling and admire amazing fish and coral reefs. A delicious lunch is served on a quiet white sand beach, with your feet in the water. You will then be brought back to your hotel. The boat is a 35-foot traditional polynesian outrigger canoe with all the comfort needed : hard-top canopy for shade, cushion bench seats and sun deck. Easy access with ladder, hand-rail and steps. Romain, licensed captain and snorkeling guide will be happy to show you around Moorea's beautiful landscapes and lagoon. Olivia, in charge of bookings and logistics, is always available for information, enquiries or any special request.

## **ELECTRIC BIKE RENTAL - E-BIKE MOOREA (Transfers not included)**

Do you want explore Moorea in an authentic way ? Do you need a fun and easy to drive means transport ? The electric Bike is for you !

Made in France and Germany, equipped with a Bosch engine, he is the ultimate in its category. Explore Moorea with its handlebars is a real treat, no matter your level. There is no need to be in a great sportsman's condition: everyone can ride this means of transport ecological, fun, and easy to drive! Once installed on the saddle, hands on the handlebars, you already feel that ride will be a real moment of relaxation: the first pedal stroke is given, and that's when it takes you to the chosen rhythm on the roads of Moorea. You decide to speed up the pace a little? The assistance to the pedaling allows to reach 25 km / h, beyond, you pedal more and transform the ride into sports outing! The engine interface is so fluid that the change in the intensity of the assistance is not even perceived. A tour of the island without pouring a single drop of sweat? It's possible except in hot season or, anyway, we perspire all the same without moving. As for the Belvedere road from where you can enjoy a magnificent panorama over the two bays, it is accessible without great effort. A real pleasure ! If everyone can choose its level of difficulty, the advantage with the electric bike is that you can easily follow a rhythm exceeding your usual abilities. So you can fully enjoy Moorea, while revitalizing yourself in the middle of nature.

TRANSFERS NOT INCLUDED - Please ask your travel consultant for more information.

Inclusions: all equipment (please check with your travel consultant in order to organize exact time and place of rental) // Available: Daily
