FULL DAY SAFARI 4X4 - Tahiti Safari Expedition

It is now possible to discover the interior of polynesia's largest island thanks to the pioneering spirit of Tahiti Safari Expedition, the company which started it all in 1990. Since that date, a select number of people have had the privilege to enjoy a hidden world of lakes, high cliffs, lush valleys and waterfalls, uninhabited since the arrival of western civilisation, 200 years ago. The expedition starts from the east coast before crossing the main crater in Papeeno Valley. You will discover all the lush vegetation of the interior of the island of Tahiti with its giant ferns, colourful plants and much more. You will see magnificent waterfalls, cross rivers and pure mountain streams and visit archaeological sites and the lake of Vaihira. This Lake is known among locals for its large eels and nearby plantations of "fe'i" (mountain bananas). Make a stop for refreshments and a swim in a natural mountain pool before enjoying an excursion plate (not included) at La Maroto Restaurant with a panoramic view on the Papenoo valley. Beyond the beaches ! Come with us and cross the main crater, swim in cristal clear-waters. Daily departures
